CONCRETE COMPANY

Concrete Barrier Blocks

Chandler Concrete offers a complete product line of large concrete barrier blocks. These interlocking, stackable blocks are quite versatile and come in a variety of designs and grades to satisfy your project needs. Choose from a full range of sizes and shapes to create a wall system that is not only sturdy and attractive but a system that can be built quickly and economically.

USES:

- Retaining Walls
- Fences
- Barriers
- Storage Bins

BENEFITS:

- **Economical:**
 - * Affordable for any size job
 - * Easily added on to existing wall structures
 - * Environmentally friendly-100 percent recycled concrete
- **User-Friendly:**
 - * Compatible with most other concrete block systems
 - * Easy to handle and stack
