

DIY Hardscape Fire Pit Kits

Grotto Hardscapes introduces our new Do-It-Yourself Fire Pit Kits. Our pre-packaged kits are ready to assemble and do not require cutting. They both include all the hardscape stones and easy to install instructions while the square option also includes a fire pit liner. There are two design styles to choose from:

Round Accent Fire Pit

72" outside dimension

52" inside dimension

Weathered solid accent units with split-face look on both sides

Optional Metal Liner (sold separately)

Available Colors:

Hickory Blend, Walnut Blend, Chestnut Blend, Cedar

Square Estate Wall Fire Pit

48"X48" overall dimension

44"x44" base dimension with 24"x24" inside dimension

Weathered Estate Wall Units

Metal Liner included

Available Colors:

Hickory Blend, Walnut Blend, Chestnut Blend

Cedar, Redbud, Granite Blend

Fire Pits add to a home's accent design and adds value to the home. These easy to install kits can be installed within a few hours. Enjoy an added element to your backyard by creating an entertaining spot for your family and friends.
